

**** TESTIMONIALS ****

We really appreciate the Love and care my mom has experienced at your facility..... **Dr. Timothy Gieseke**
Medical Director, Several Skilled Nursing Facilities

"If you are looking for a wonderful assisted- living home to care for your loved one, you must visit **RINCON VALLEY GARDENS**. I feel so fortunate to have found this place for my 96-year- old mother. The owners and their staff are loving, compassionate and efficient. The home is cheerful, clean, comfortable and nicely decorated. I could not have found a more wonderful home for my mother ---and she agrees!" **Gael Forest-Knowles**

Run and operated by **Sheila Sumabat**, a **Registered Nurse** for 17 years in California. Her passion has always been caring for the elderly, thus most of her career has been in Geriatric Nursing. She believes that the elderly deserve the best quality of care and should be treated with compassion, respect and dignity. She likes her residents families to feel secure and comfortable in the knowledge that their loved ones are well taken care of.

Sheila works hard to trained her competent caregivers to give only the best care possible as her clients' age gracefully. Aside from her naturally loving and caring attitude, she is also experienced in managing 50 "skilled" beds. She was recently the Director of Nursing of a prestigious Life Care Community in Santa Rosa at which she had rendered her services for five years. Her mission is to expand her vision and offer better opportunities for frail elderly residents to live in a homelike setting with the best standard of care.

OUR FACILITIES, **Stonegate Villa**, **Rincon Valley Gardens 1** and **Marian House for Seniors** are residential care facilities for the elderly serving people 60 years of age and older, located within the heart of Rincon Valley & Santa Rosa. It is easily accessible to major amenities such as regular hospital, fire department, community/senior center, banks, parks and recreation including beautiful wine counties of Sonoma, Napa and Calistoga areas.

All three facilities are licensed for six (6) beds, a non-medical facility that provides 24-hour care and supervision in a homelike setting. We provide our residents a safe and enjoyable environment to promote warmth and comfort with love. Qualified employees to treat all residents with dignity, respect, compassion and sensitivity attain such quality of service. Our goal is to give the best quality of service to attain the best quality of care to your loved ones. We focus on maintaining and maximizing resident's independence and minimizing limitations.

Our philosophy and purpose is dedicated to maintaining and building a resident's independence and self-worth by meeting their needs in all aspects of their physical, intellectual, emotional, social and spiritual needs.

We care for your loved ones and treat them like our own. We serve as an extension of your family making them feel that our facilities are truly A HOME AWAY FROM HOME.
